We Would Love To Keep You Informed About Our Exciting Work

Our Mission

Acuity Foundation Ireland is committed to excellence in patient care, teaching and research in Dublin, Ireland and the world. We are a public charity headquartered in Dublin. In conjunction with the Royal Victoria Eye & Ear Hospital and their academic partners, Trinity College Dublin, University College Dublin and the Royal College of Surgeons in Ireland, Acuity Foundation Ireland is committed to the education of future health care professionals, as well as the education of the public concerning the prevention, diagnosis, and treatment of the diseases in its specialties and concerning the rehabilitation of patients handicapped by these diseases. In order to provide the highest quality of contemporary care and even better care in the future, Acuity Foundation Ireland funds laboratory and clinical research in auditory and visual diseases.

Our Vision

To establish a preeminent world-wide center for advances and leaders in preserving and restoring vision, hearing, balance and voice, as well as in curing disorders of the head and neck. We will achieve this vision through:

- Supporting exceptional clinical care
- Funding cutting-edge translational and clinical research
- Committing to tomorrow's leaders and today's medical community

We confirm that our organisation complies with The Governance Code for the Community, Voluntary and Charitable Sector in Ireland

YES, I would like to be kept up to date about the work and fundraising appeals of the Acuity Foundation.
